AUSTRALIAN WOMEN'S SOCCER
ASSOCIATION

NATIONAL JUNIOR CHAMPIONSHIPS

RENMARK

July 1992

AWSA PRESIDENT'S MESSAGE

The identification and development of young players remains one of the most important tasks of national sporting organizations. For this reason the Australian Women's Soccer Association places great value on this talent identification carnival. The young players selected in a national squad at the end of this week will be among those who carry Australia's honours in national competition during the 90's. No doubt a few will be involved in competition in Europe in 1993.

I would like to congratulate all those who have been selected to represent their State. This is an honour and an indication of an exceptional level of skill and application. You should be proud of your selection but mindful that much work needs to be done before you will display the skill and athleticism demanded of our elite open players. I wish all of you the very best over the next week and in your future soccer careers.

Volunteers are the lifeblood of most sport in Australia and soccer is certainly no exception. Those who will participate over the next week owe a great deal to their coaches, managers, trainers and club and State officials. The Australian Women's Soccer Association is most appreciative of the personal commitment in time, effort and money that so many put into the sport and it is particularly appropriate that I formally acknowledge, on an occasion such as this, the enormous contribution made by volunteers. From the specific point of view of this carnival I want to thank Jill Farr, the SAWSA Championship Coordinator, Kath Welsh and the very many people who have worked so hard to make this carnival the success that I am sure it will be.

Please accept my best wishes for a fiercely competitive but friendly and sporting carnival.

Dennis O'Brien

SAWSA PRESIDENT'S MESSAGE

On behalf of the women's soccer community of South Australia I would like to welcome players, officials and supporters to Renmark Oval, Renmark for the 1992 AWSA Junior Championships. I am sure that these Championships will provide us with an entertaining and enjoyable week of soccer with the developing talents of Australian women's soccer on display.

Special thanks must be extended to the Renmark community for the warm reception we have been given in our preparation of these Championships. I hope that this support will continue after this week as the South Australian Women's Soccer Association endeavours to develop this wonderful sport for females in the Riverland.

To all the players, I wish them a successful Championship, particularly those South Australian's from the Riverland who will be performing in front of their home crowd.

An immense amount of work has been going on behind the scenes, as is usual with these Championships, and thanks must go to all those people who have contributed, in particular:

- the Renmark Rovers Football Club and Ladies Auxiliary who have proven that their support of sport is not confined to their male footballers but extends to all athletes
- the SAWSA Committee who have willingly and efficiently taken on a heavy additional workload
- Jill Farr our Carnival Organiser who has had to put her personal and professional life on hold as she has taken on the full-time task of preparing for these Championships
- members of the SAWSA who have cheerfully volunteered many hours to assist with varied tasks
- Charlie Piros and the Renmark Olympic Soccer Club for all their support
- Heather Reid our tireless Executive Director who has provided us with invaluable assistance and advice.

Finally I would like to offer congratulations to all players on their State selection. I am sure that you will all enjoy the week's competition and the friends you will make here.

Kath Welsh

NATIONAL EXECUTIVE DIRECTOR'S MESSAGE

Hosting the 11th National Junior Championships in Renmark clearly reflects the South Australian Women's Soccer Association's aim to develop soccer in country regions.

Seven states will again play in this highly competitive championship. No doubt the more fancied teams of Queensland and NSW will be determined to prove their dominance. Going on last year's results, however, spectators can expect tough competition from the host team which only lost by a single goal to these two finalists in 1991, as well as the other teams.

Over the past few years, the AWSA has seen a consistent representation by States in all National Championships. More significantly, the standard of the competition has improved considerably and the quality of skills demonstrated by young players is exceptional.

The National Junior Squad will train at the Australian Institute of Sport later this year and some players may be selected for a tour to Europe next July to compete in the Dana Cup International Youth Tournament.

I would like to thank Kath Welsh and her band of hard workers for their time and commitment to ensuring that the 11th National Junior Championships are a success. Good luck to all competitors and officials.
